Affordable Coverage That Keeps Your Family in Their Home

Most people believe life insurance costs three times more than it actually does. The truth is, protecting your family may be more affordable than you think.

Losing someone you love is always a struggle — and unexpected financial burdens can make this time even more difficult. If something were to happen to you, could your family continue to make the mortgage payment? A Mortgage Protection Term Plan is one of the most affordable ways to make sure your family stays in their home, even if you're no longer there to provide.

Help Pay the Mortgage When It Matters Most

You select the amount of coverage you need and the term that most closely matches your mortgage. In the event of your death, the full benefit is paid directly to your beneficiaries — not the bank, not the mortgage company. **Your family receives the money** and decides what's best for their situation.

Pay off the home. Sell and start fresh. Purchase a new home. Downsize. Whatever makes sense for their lives. They have the **financial freedom to choose** — without being constrained by time or money.

Guaranteed Level Benefit
Your death benefit stays the same
for the entire term. It never decreases.

Guaranteed Level Premiums
Your rate is locked in from day one.
It never goes up for the life of the plan.

Coverage $20,000 – $400,000
Non-medical underwriting available.
Choose the amount that fits your mortgage.

Your Family Decides
Pay off the home, sell, downsize,
or start over. Their choice, their freedom.

Choose the Term That Fits Your Mortgage

10 Year | **15 Year** | **20 Year** | **25 Year** | **30 Year**

Each plan is designed to match your mortgage payoff schedule. Pick the term that aligns with your remaining mortgage years, and your family is protected for the entire duration. Your coverage and premium are both guaranteed for the full term.

Why Families Choose This Plan

✓ **Transferable**
Your plan moves with you if you sell or refinance — it's not tied to one property

✓ **You Own It**
This is your policy, not the bank's — no one can cancel it but you

✓ **Living Benefits**
Access funds for critical, chronic, or terminal illness at no additional cost

✓ **Beneficiaries Decide**
The money goes to your family, and they choose how to use it
